Income Tax Calculator

Please follow below steps to integrate Income Tax Calculator In your website

Step 1: Add Plugins:

- JQuery: Download JQuery Plugin from the following link-
  (https://www.cdnpkg.com/datepick/file/jquery.plugin.min.js/)

- Bootstrap: Download JQuery Plugin from the following link-
  (https://getbootstrap.com/docs/4.6/getting-started/download/)

Step 2: Create a HTML Page for Income Tax Calculator:

- incomeTaxCalculator.html:

```html
<!DOCTYPE html>

<html> <head>

<link rel="stylesheet" href="../Plugin/bootstrap/css/bootstrap.min.css" />

<script src="../Plugin/library/jquery-3.6.0.min.js"></script>

<script src="../Plugin/bootstrap/js/bootstrap.js"></script>

<script type="text/javascript" src="../JS/IncomeTaxCalculator.js">

</script>

</head>

<body>

<div class="col-md-5 container " style="border: 3px solid #0099CC; " >

<div class="row mb-3 mt-2">

<div>

<button class="btn btn-primary " onclick="location.href = './index.html'">
Homepage </button>

</div>

</div>

<!-- Start: Basic Details -->

<div id="dvBasicDetail">

<div class="row" >
```

```html
<div class="">
<h5 class="font-weight-bold">Enter Basic Details</h5>
</div>
</div>

<div class="row mb-3" >
<h6 for="age" class="label1">Age:</label>
<div>
<select name="age" id="age" class="form-select w-auto"  required>
<option value="1">18 to 59</option>
<option value="2">59 or above</option>
</select>
</div>
</div>

<div class="row mb-3">
<h6 for="city" class="label1">Resident city type:</label>
<div class="">
<select name="city" id="city" class="form-select w-auto"  required>
<option value="1">Metro</option>
<option value="2">Urban</option>
<option value="3">Rural</option>
</select>
</div>
</div>

<div class="row mb-3">
<h6 for="Recidence" class="label1">Resident Type:</label>
<div class=" d-flex">

Step 3: Create a JavaScript file for Income Tax Calculator:

a) incomeTaxCalculator.js

```
   $(document).ready(function () {

  //all variables are set to 0 value

  var age = 0, city = 0, RecidenceS = 0, occupation = 0;

  var AnnualGross = 0, Annualepf = 0, Annualsa = 0, Annualda = 0,
Annualhra = 0, Annualbasic = 0;

  var MonthGross = 0, Monthepf = 0, Monthsa = 0, Monthda = 0, Monthhra
= 0, Monthbasic = 0;

  var saving = 0, source = 0, rent = 0, deposit = 0;

  var equity1 = 0, debit1 = 0, shares1 = 0, estate1 = 0;

  var equity2 = 0, debit2 = 0, shares2 = 0, estate2 = 0;

  var epf = 0, selfInsurance = 0, nps = 0, parentInsurance = 0,
educationLoanInterest = 0, homeLoanInterest = 0, rent1 = 0;

  var grossincome = 0, capitalgain = 0, taxdeduction = 0,
taxexcemptions = 0, totalincome = 0;

  //Appling events for input fields and dropdowns

  (function ($) {

    $.fn.inputFilter = function (inputFilter) {

      return this.on("input keydown keyup mousedown mouseup select
contextmenu drop", function () {
```

```javascript
            if (inputFilter(this.value)) {

                this.oldValue = this.value;

                this.oldSelectionStart = this.selectionStart;

                this.oldSelectionEnd = this.selectionEnd;

            } else if (this.hasOwnProperty("oldValue")) {

                this.value = this.oldValue;

                this.setSelectionRange(this.oldSelectionStart,
this.oldSelectionEnd);

            } else {

                this.value = "";

            }

        });

    };

}(jQuery));

$("input[type=text]").inputFilter(function (value) {

    return /^\d*$/.test(value)

});

//In Basic Details page Values are fetched on button click
